(54) Title: SEAM-WELDED AIR HARDENABLE STEEL TUBING

Approximate relative strength-to-weight ratios and costs for several common structural materials.

(57) Abstract: The present invention provides seam-welded, air hardenable steel tubes (12), methods of manufacturing seam-welded air hardenable steel tubes (12), tube mills for practicing such methods and applications for using seam-welded, air hardenable steel tubing (12) of the present invention.
